Mohit Chadha is a Partner at Desai & Diwanji's Gurugram office.

Mohit's practice focuses primarily on dispute resolution, through litigation or alternative dispute resolution mechanisms, including arbitration, mediation and conciliation. Mohit has represented various clients in disputes relating to civil and commercial matters, contractual disputes, electricity disputes, mergers and acquisitions, criminal matters, white collar crimes, public interest litigation, intellectual property disputes and consumer disputes.

His clients include large domestic companies, multinational corporations, private individuals, start-ups and early stage emerging companies, companies dealing with renewable energy, hospitality and education technology.

He works closely with his clients, who value his commitment, his ability to effectively strategize a matter, responsiveness and problem-solving abilities.

This is a general overview of Mohit's practice. Please contact him to receive a more detailed statement of his experience in any particular area of his practice.
